## VIRTUAL CONFERENCE INFORMATION

### ABOUT THE CONFERENCE

Usually, the Ohio Statewide Floodplain Management Conference is a two-day, in-person, multi-track conference that offers sessions addressing the various areas and issues within floodplain management and the National Flood Insurance Program (NFIP). Coordination of the conference is a cooperative effort between the Ohio Floodplain Management Association (OFMA) and Ohio Department of Natural Resources (ODNR).

**Again in 2021, OFMA will offer this conference as free VIRTUAL CONFERENCE to provide relevant floodplain management training and assist floodplain management professionals in obtaining continuing education credits/hours to support professional certifications and accreditation.**

### REGISTRATION

**THIS VIRTUAL CONFERENCE IS FREE! There is no cost to attend any portion of this event.** Anyone planning to attend the conference must register for the event. Registration information will be used to distribute the web link to access the conference as well as communicate any other necessary information (agenda/schedule changes, survey, etc...) with registrants.

To access the conference registration:

- 1) [CONFERENCE REGISTRATION](#), *or*
- 2) Go to [OFMA's CONFERENCE WEBPAGE](#)

### CONTINUING EDUCATION

To obtain continuing education hours, attendees will be required to verify attendance. During each presentation, a link to an online form will be provided for attendees to complete and submit information to verify attendance. This information will be compiled after the conference and attendance certificates will be emailed by December 31, 2021.

One (1.0) hour of continuing education will be available for one (1.0) hour of attendance. This virtual conference is offering up to 11 hours of continuing education.

### WEBINAR PLATFORM & ACCESS

The link to access webinars will be emailed to all registrants by 5:00 pm the day prior to each conference day. We will be using Zoom to host this virtual conference.
